

DECLARATION FOR CUSTOMERS
FOR
USE OF NABL SYMBOL

Customers who are issued the NABL accredited test reports have to note the below mentioned points for clarity and adhere to relevant requirements stated below:

1. The accredited scope of SWEN Konformity is given on our website www.swenlab.com or on NABL website (Link: <http://www.nabl-india.org/nabl/index.php?c=search&m=searchlabcertificate&cno=3548>). Entire accredited scope are published on websites to minimize or avoid the risk of misleading information for our customers / general public.
2. Customers are not authorized to use the NABL Symbol. The NABL logo or symbol or any claim of accreditation shall not be placed on the products or items tested by our laboratory.
3. First page of test report's 'Remarks' section has to be read carefully by the customers and abide by it.
4. For more information, NABL document NABL-133 can be referred.
